Reasonable Cause Explanations

Explanation

We apologize for the late filing, but we experienced difficulties with our auditor situation which delayed everything. Our previous auditor fell out of touch and we then had to go through a process to find a new auditor which resulted in a late start. Then with the new auditor, there were a couple periods where we did not hear from them for weeks. We did not get confirmation of the final figures until January and did not receive a draft audit until February. We were expecting the information in November and were waiting to be able to apply the reconciliation to the audit required in the Form 990. We are planning to get a much earlier start on the 2022 filing so that it will be submitted in a timely manner. Thank you for your understanding.
